Resumo de The Last of Us: American Dreams: Volume 1

Nineteen years ago, a parasitic fungal outbreak killed the majority of the world's population, forcing survivors into a handful of quarantine zones. Thirteen-year-old Ellie has grown up in this violent, postpandemic world, and her disrespect for the military authority running her boarding school earns her new enemies, a new friend in fellow rebel Riley, and her first trip into the outside world.

* The official lead-in to the game from Faith Erin Hicks (The Adventures of Superhero Girl) and Naughty Dog's Neil Druckmann!
