

THE

LATINO/A

AMERICAN

DREAM

SANDRA L. HANSON
AND
JOHN BENNETH WHITE

Resumo de The Latino/A American Dream

The American Dream means many things to many people, but in general it can be said that it connects the idea of freedom to the opportunity for prosperity and upward social mobility.

Sandra L. Hanson and John K. White have brought together eight essays by a variety of social scientists to explore the attitudes, experiences, and expectations of Latinos in their quest for the American Dream.

"The Latino/a American Dream" asks many timely questions, including: how do Latino/as view the American Dream? Has the recent economic downturn affected their hopes of achieving the Dream? What about recent immigrants?

What about Latina women? The answers to these questions and more draw on sociology, political science, history, and gender studies to paint a multifaceted portrait of Latino/a opportunity in America, both real and perceived."
