Resumo de The Marquis Volume 1: Inferno (Second Edition)

When the souls of Hell escaped, they prayed for a savior--and what came was the devil! The Marquis launches a crusade against the escapees of Hell, but is he a madman, savior, or something worse?

Presented in an oversized hardcover edition, this is the definitive version of Guy Davis's "The Marquis: Inferno!" Collecting all existing Marquis stories with remastered interior art, all color covers, and a revised sketchbook section--this is the ultimate edition to keep the devils IN your nightmares!

In eighteenth-century Venisalle, an avenger is torn between the blind faith that defines his life and the bitter truths exposed by his supernatural gift. Includes all the existing "Marquis" stories by Guy Davis including a never-before-reprinted story, full-color cover gallery, and an expanded sketchbook section.
