Resumo de The Most Important Place on Earth: What a Christian Home Looks Like and How to Build One

It all starts at home. Newly revised and updated, The Most Important Place on Earth is Robert Wolgemuth's inspiring and practical book for those looking for a strong foundation for their home.

So what's so great about a Christian home? There you will find redemption, forgiveness, hope, laughter, and genuine happiness. There you will also find discipline, purpose, and grace. Lots of grace.

Many people did not grow up in a Christian home, and many more do not consider their childhood experience a good model. The Most Important Place on Earth covers eight answers to the question, What does a Christian home look like?

It is filled with stories and useful ideas that will convince any reader that a Christian home is not an elusive stereotype. It is something that really can be achieved.

And it is something worth having. You'll see."
