Resumo de The Outfit

After he evens the score with those who betrayed him and recovers the money he was cheated out of from the syndicate, Parker is riding high, living in swank hotels and enjoying the finer things in life again.

Until, that is, he's fingered by a squealer who rats him out to The Outfit for the price they put on his head... and they find out too late that if you push Parker, it better be all the way into the grave!

Darwyn Cooke, multiple Eisner-Award winning creator of such works as DC: The New Frontier and Selina's Big Score, now follows up The Hunter with the forthcoming release of The Outfit, the second of four planned adaptations of Richard Stark's Parker novels.
