Quarrymen

Resumo de The Quarrymen

Author and journalist Hunter Davies traces the fortunes of the Quarrymen, the 6-man skiffle group formed by the young John Lennon in the 1950s. The group later took on Paul McCartney and then George Harrison, leading into the creation of the legendary Beatles.

Davies reveals the personal histories and facts surrounding Lennon's original group and how their lives have evolved since that monumental time in musical history. Includes rare photos!
