THE REST OF US JUST LIVE HERE

a novel by **PATRICK NESS**

Resumo de The Rest of Us Just Live Here

A new YA novel from novelist Patrick Ness, author of the Carnegie Medal- and Kate Greenaway Medal-winning *A Monster Calls* and the critically acclaimed *Chaos Walking* trilogy, *The Rest of Us Just Live Here* is a bold and irreverent novel that powerfully reminds us that there are many different types of remarkable. What if you aren't the Chosen One?

The one who's supposed to fight the zombies, or the soul-eating ghosts, or whatever the heck this new thing is, with the blue lights and the death? What if you're like Mikey?

Who just wants to graduate and go to prom and maybe finally work up the courage to ask Henna out before someone goes and blows up the high school. Again. Because sometimes there are problems bigger than this week's end of the world, and sometimes you just have to find the extraordinary in your ordinary life. Even if your best friend is worshipped by mountain lions.
