Resumo de The Road to Empire and Other Stories

With the tide of war turned, Conan's armies invade Nemedra, arch-enemy of Conan's kingdom of Aquilonia. As the brutal siege commences, the greatest threat to Conan is not Nemedian sinew or steel, but the steeled heart of a boy raised in the black arts and dedicated to Conan's destruction.

That boy is none other than Taurus, Conan's own lost son! Collects Marvel's Conan the King #36-#40, never before reprinted.
