

The SAVAGE SWORD *of* CONAN

VOLUME FIFTEEN

Resumo de The Savage Sword of Conan, Volume 15

"Crom, count the dead!" The wanderings of the barbarian warrior Conan bring him to the desert kingdom of Stygia, whose mad queen seeks to perform a dark ritual that will bridge universes and draw an ancient, malefic god back into this world - and with it an eternity of death, horror, and chaos!

Conan's lust for temple treasure puts him in with a company of acolytes who will risk all to prevent the ritual's completion. A mighty sword arm like that of Conan can be put to good use, but can brawn and blade turn back the end of the world?
