Resumo de The Son

Philipp Meyer, the acclaimed author of *American Rust*, returns with *The Son*: an epic of the American West and a multigenerational saga of power, blood, land, and oil that follows the rise of one unforgettable Texas family, from the Comanche raids of the 1800s to the oil booms of the 20th century. Harrowing, panoramic, and deeply evocative, *The Son* is a fully realized masterwork in the greatest tradition of the American canon—an unforgettable novel that combines the narrative prowess of Larry McMurtry with the knife-edge sharpness of Cormac McCarthy.
