Resumo de The Surface Volume 1

What if everything you ever imagined could come true? Welcome to Africa, 2034. The West and the East are moving in and three hackers are searching Tanzania for the place that can change the world: the Surface.

When they discover it, love, imagination, and survival go on a collision course as things change beyond their wildest dreams! Welcome to the universe of a mind-bending, action SF epic drawn by the esteemed Langdon Foss (Get Jiro!, Winter Soldier) and colored by the Eisner-winning Jordie Bellaire (Zero, Pretty Deadly, Moon Knight).
