Resumo de Virgin

Okay, I admit it...I didn't do it. Yet. This is normal, right? I mean, just because everyone I know has talked like they've already done it doesn't mean that they're telling the truth...right?

It's not like I'm asking for that much. I don't need the perfect guy. I don't need candlelight or roses. Honestly, I don't even need a real bed. The guys I know complain that girls are always looking for Mr.

Right--do I have to wear a sign that says I'm only looking for Mr. Right Now? Sooooo...anyone out there want sex? Anyone? Hello? Just for fun? I am not going to die a virgin.

One way or another I am going to make this happen. Hey, what have I got to lose? Besides the obvious.
