The Archive Series

LAYOUT &
BACKGROUND

Resumo de Walt Disney Animation Studios the Archive Series #4: Layout & Background

This fourth installment in The Archive Series showcases the scenic background and layout art that gives every piece of Disney animation a time and place. The Animation Research Library and curator John Lasseter, the Walt Disney Animation Studios Chief Creative Officer, have assembled over 300 pieces of artwork from the company's shorts and masterpieces from Snow White and the Seven Dwarfs to Tangled, and even the upcoming Winnie the Pooh.

With many two-page spreads and several 30-inch gate-folds, Backgrounds & Layouts includes famous as well as unpublished work of the great layout artists and background painters such as Eyvind Earle, Claude Coats, Walter Peregoy, Maurice Noble, James Coleman, Serge Michaels, Al Dempster, Bill Layne, Art Riley, Brice Mack, and Lisa Keene.

Collectors and animation enthusiasts couldn't be more thrilled with the first three books in the series, and they are eager to add Backgrounds & Layouts to their libraries.
