Resumo de Wolf, Volume 1

Bestselling new star writer ALES KOT teams up with white-hot artist MATT TAYLOR and the Deadly Class colorist extraordinaire LEE LOUGHRIDGE for an all-new SERIES! The crime noir thrills and characters reminiscent of True Detective meet with mythical stakes worthy of Neil Gaiman's Sandman in this original fantasy/horror/crime saga for mature readers.

Antoine Wolfe, a hard-boiled paranormal detective with a death wish, has to cope with sudden responsibility for an orphaned teenage girl who might be the key to the impending apocalypse-California style.

The road to hell and back begins in our first volume, priced at just \$9.99!
