WORLD WITHOUT END

THE COMPLETE COLLECTION

Resumo de World Without End: The Complete Collection

"Everything comics have the potential to achieve. It still leaves me in awe."
"Dark Gate Magazine." In this magnificently illustrated dreamscape of brutality and eroticism, a mysterious female presence called Rumour faces off against super-commando Brother Bones in a deadly war between the sexes on a world made of flesh.

The first single-volume hardcover edition of the acclaimed six-part DC series by the writer of "Hellblazer" and a frequent collaborator of Alan Moore. Suggested for mature readers."
