A New York Times Bestseller! Black Canary, Starling, Poison Ivy and Batgirl. Together, as Gotham City's covert ops team, they're taking down the villains other heroes can't touch. They are the Birds of Prey.

The Birds face a multitude of threats from outside and in! A dangerous new villain threatens to expose Black Canary's dark secret, and the Court of Owls sets its sight on everyone in Gotham for a "Night of the Owls" tie-in.

Plus, the girls bring a gravely injured POISON IVY to the Amazon hoping to help rejuvenate her, but they're going to need her help more to stay alive!
