

disruptive biography and critical analysis

BLOOM'S BioCritiques

critical essays by notable scholars

Lora Neale Hurston

Resumo de Zora Neale Hurston

Zora Neale Hurston was a flamboyant individual who loathed any attempt to subsume her work under any category whatsoever. Long ignored, her work is now widely read, studied, and praised, including her novel *Their Eyes Were Watching God*.

Learn more about Hurston with this text, which includes an extensive biography of the author, literary criticism, a list of works by and about the author, and more. This series is edited by Harold Bloom, Sterling Professor of the Humanities, Yale University; Henry W.

and Albert A. Berg Professor of English, New York University Graduate School; preeminent literary critic of our time. The lives of the greatest writers of the world are explored in the new series Bloom's BioCritiques.

In addition to a lengthy biography, each book includes an extensive critical analysis of the writer's work, as well as critical views by important literary critics throughout history. These volumes are the perfect introduction to critical study of the important authors currently read and discussed in high schools, colleges, and graduate schools.
